The fourth quarterly meeting  
will be held at the M. E. Church,  
South, next Sunday. This winds  
up the conference year as the an-  
nual Conference meets on the 25th  
at Huntington, W. Va.

Dave Wellman, of this place, and  
Tella Hampton were married in  
front last week. It will be re-  
membered that these two parties  
were principals in a three-cornered  
shooting affair that occurred on  
our streets several months ago.

Little Emma Vaughan enter-  
tained her friends yesterday eve-  
ning from five till seven o'clock, in  
honor of her sixth birthday. Miss  
Tella also had a number of the  
young folks there from eight till  
eleven to meet her guests, Misses  
Cassady and Newberry.

An elegant leather rocking chair  
and a handsome picture were pre-  
sented to Sup't. M. G. Watson by  
the teachers composing the Law-  
rence county institute at the close  
of the session week before last.  
The Doctor is very popular with  
the teachers.

Last week we failed to mention  
the marriage of Lewis W. Borders  
and Miss Abigail Bartram, which  
occurred at the residence of Wm.  
Holt. Rev. Howes performed the  
ceremony. The bride is the 19-  
year-old daughter of John Bartram  
of Fort Gay.

Dr. Boland preached his last  
sermon for the present conference  
year last Sunday night, and it was  
a supreme effort. During his year's  
service here the people of Louisa  
and vicinity have become very  
much attached to him and his good  
wife, and it is the desire of all that  
they be returned to this charge.  
He is one of the ablest preachers  
we have ever had.

Miss Mary Yates, one of Catletts-  
burg's most popular young ladies,  
has accepted a position with Val-

is quite well known here and her  
numerous friends are glad to  
know that she will be connected  
with this most popular firm.—  
Huntington Advertiser.

Albert Murray, of this place, and  
Miss Nancy Pyles, of Whites creek,  
were married Wednesday and  
came to Louisa. They are now at  
the home of Mr. Murray, father of  
the groom. The bride is a niece of  
Mrs. Dr. Murray. We are infor-  
med that they will make Louisa  
their home. The News offers con-  
gratulations.

## Democratic Convention.

A considerable number of the  
Democrats of Lawrence county as-  
sembled at the court house last  
Tuesday, in accordance with the  
call of the chairman.

The convention was called to or-  
der by the County Chairman, Robt.  
Dixon, who stated that the object  
of the meeting was to name and  
instruct delegates to the Senatori-  
al and Legislative conventions to  
be held at Catlettsburg, Friday,  
Sept. 20th.

J. W. Woods was elected tempo-  
rary chairman and M. F. Conley  
secretary. Upon motion the tempo-  
rary organization was made per-  
manent.

A motion prevailed to appoint a  
committee on Resolutions, and the  
chair named M. F. Conley, W. D.  
O'Neal and W. D. Riffe. They re-  
ported as follows:

"We, the committee on resolu-  
tions, beg leave to make the fol-  
lowing report:  
Resolved, that we approve the  
call of this convention and of that  
at Catlettsburg next Friday, for  
the purpose of nominating a Demo-  
cratic candidate for the State Sena-  
te, and for the Legislature.

2nd, that it is the sense of this  
convention that the votes of Law-  
rence county be cast in the Sena-  
torial convention at Catlettsburg for  
Senator John J. Johnson, as long  
as his name shall be before that  
convention.

3d, that all good Democrats be  
appointed delegates to the Catletts-  
burg convention, and that they be  
instructed to vote as a unit.

4th, that we send our delegates  
to the Legislative convention at  
Catlettsburg uninstructed, and that  
all good Democrats be made dele-  
gates.

5th, that we denounce and de-  
plore the assassination of Presi-  
dent William McKinley. We be-  
lieve it to be a national calamity,  
and a bold thrust from the danger-  
ous hand of anarchy at our form of  
government. We recognize the  
high character and integrity of the  
murdered President, and extend  
our sympathy to the family, and  
especially to his admirable, invalid  
wife. We declare in favor of string-  
ent laws for the suppression of  
anarchy, and for the protection of  
our officers.

The report of the committee was  
adopted, and the convention ad-  
journed. J. W. Woods, Ch'n

Mr. Thos. A. Garrigan, of Hunt-  
ington, and Mrs. Romaine Mahan

## TO KANAWHA.

Assistant U. S. Engineer Thomas  
Ordered to That River.

Scarcely had the News been  
printed last week, containing men-  
tion of the probable change of En-  
gineers, when Mr. B. F. Thomas  
received the order to report at once  
at Charleston, W. Va., to take  
charge of the Great Kanawha river.  
Mr. Scott who has long been  
in charge of that river, was ordered  
to take the supervision of Big Sandy  
river. He promptly gave way to  
Mr. Thomas, but refuses to come  
here and has asked a hearing from  
the higher authorities about the  
matter.

In the meantime Mr. A. M.  
Campbell is in charge of all the  
work on Big Sandy river.

## Sudden Death of a Child.

The little daughter of Mrs. Cora  
Abbott Robertson died at Catletts-  
burg, Tuesday of last week, after an  
illness of only a few hours. She  
was attacked with congestion of  
the lungs in the forenoon of that  
day and died in the evening. Mrs.  
Robertson and children had been  
there since the burial of her moth-  
er-in-law, three weeks previous,  
and expected to return to Wash-  
ington City soon.

Little Evelyn is remembered by  
Louisa people as a bright and very  
interesting little girl. She was  
here with her mother last summer,  
visiting home folks. Her age was  
seven years. Her death was a se-  
vere shock to her grandfather,  
Postmaster J. A. Abbott, and other  
near relatives. The body was laid  
to rest beside that of her father,  
who died when she was an infant.

To whom it may concern:—  
I am not a candidate for the of-  
fice of Police Judge of the City, as  
I find that it would require too  
much of my time from the mill  
and of course the company would  
not agree to that. Neither could  
I ask them to. Thanking my  
many friends for their kind offer  
of support for said office, and hop-  
ing that we can and will find one  
who will discharge the duty of Po-  
lice Judge to the satisfaction of all  
I am, very truly,  
JAMES M. ROSE.

The local council Junior Order  
American Mechanics visited the  
Louisa Graded School in a body on  
the afternoon of the 13th inst. They  
presented the school with a beau-  
tiful flexible back Oxford Teachers  
Bible and a handsome United  
States flag. The pupils were all  
assembled in one room, and the  
members of the council stood fac-  
ing them. All listened attentively  
to the appropriate presentation  
address by Rev. Mr. Bryan, of  
Cassville. Then the visitors and  
pupils filed into the yard and took  
position facing the building while  
the flag was being raised. The ex-  
ercises were interspersed with pa-  
triotic songs, and concluded with  
three cheers for the flag.

## STOCK SALES.

Arrangements Made for Sales of  
Live Stock at Louisa.

## EVERY COUNTY COURT DAY.

A few of the citizens of Louisa  
have taken the trouble to arrange  
for sales of live stock to take place  
here on County Court day (the  
third Monday) in each month. It  
is intended to be a permanent en-  
terprise, conducted for the benefit  
of the sellers and buyers of the en-  
tire surrounding country. It is  
not a money making scheme, but  
is simply a public spirited move  
which it is hoped will benefit the  
masses of this and surrounding  
counties.

The plan is to bring buyers and  
sellers together here on those days  
and have sales made either pri-  
vately or by auction, as the owner  
in each instance may prefer. Per-  
sons having any kind of live stock  
for sale are requested to bring it  
in here on County Court day.

The Big Sandy News has agreed  
until further notice, to insert free  
of charge, advertisements of stock to  
be offered for sale each month.  
Parties intending to have stock  
here should send us description of  
it as early as possible, giving date  
at which it will be offered for sale.  
This will insure the presence of  
persons desiring such stock.

Let everybody help this enter-  
prise along.

Report of G. W. Howes, pastor of  
the Louisa Charge, M. E. Church,  
ending Sept. 20, 1901.

I have preached 134 times, con-  
ducted 6 funerals, made 8 Sunday  
school talks, conducted 62 prayer  
and class meetings, and prayed in  
more than 100 homes. We have  
had 65 conversions, 56 accessions  
to the church, have paid \$325.00 for  
improvements on church and par-  
sonage, have 335 in the Sunday  
Schools, have paid \$68. for Litera-  
ture, and \$45. for incidental ex-  
penses. We also close the year  
with some in the benevolent col-  
lection, preaching elder and musical  
salary.

## An Eloquent Sermon.

The M. E. Church South was filled  
last Sunday night by an audi-  
ence that appreciated one of the  
best sermons ever heard in Louisa.  
It was a masterly effort, fitting  
conclusion to Dr. Boland's year in  
our midst. After reading the text,  
"For God so loved the world that  
he gave his only begotten Son, that  
whosoever believeth in him should  
not perish, but have everlasting  
life," the preacher began with this  
declaration: "This text is worthy  
of being written in flaming char-  
acters on the canvas of the skies,  
and punctuated with the stars".  
This sentence was a key note to a  
gem among the one hundred discourses  
the doctor has preached during  
the present conference year. The  
three minutes' introduction was a  
graphic description of Christ as the  
Great Teacher, revealing the love  
of the Father to a fallen world, as  
manifested in the plan of redemption.  
The speaker in this connection showed  
how beautifully this love was taught  
in the three parables of the lost piece  
of money, the lost sheep and the  
prodigal Son; alluding in his own  
tender way to the "patient sweep-  
ing", the "weary wanderer in the  
mountain gorges", and the "kiss of  
forgiving love" to the patient  
younger son. This prepared his  
audience for the announcement  
and discussion of the following  
grand proposition: "Some of the  
benefits of the atonement are uni-  
versal and unconditional, while  
other benefits are conditional, and  
extend only to those who comply  
with the condition. 1. The bless-  
ings which are universal and un-  
conditional are, first, life and pro-  
tection; second, the privilege of be-  
ing saved; third, the enlightening  
and convicting influence of the  
Holy Spirit; and fourth, the Resur-  
rection of the body.

11. The blessings which are con-  
ditional, and which extend only to  
those who comply with the condi-  
tion are, first, justification or  
pardon; second, regeneration, or  
the renewal of our moral nature in  
the Divine image; third, grace to  
sustain us in life and at death, and  
fourth, life eternal.

111. The condition is faith. But  
"faith without good works is dead";  
hence there is a sense in which it  
may be said faith and obedience  
are the conditions of final salva-  
tion.

And in this lucid logical way Dr.  
Boland proceeded with an argu-  
ment most attentively followed by  
his intelligent audience. Its dis-  
cussion reached a grand climax in  
the proposition that the bible  
taught a universal atonement and  
a conditional personal salvation,  
and that these two facts are the  
great pillars in the temple of the-  
ology; the beautiful supports of  
the arch which embraced the won-  
derous plan of salvation. One rep-  
resents God's love to the world in  
the gift of His beloved Son; the  
other represents man's responsi-  
bility in the work of his personal  
salvation.

And then, with eloquent words  
and appropriate gesture, the re-  
verend gentleman said he would  
embrace this pillar and speak to  
a dying people of the Father's love  
as manifested by his gift of the  
One whose "purple blood" was for  
all. But he must also clasp this  
other pillar—the pillar of a living  
Faith and good works.

The above is the merest skeleton  
of a most eloquent sermon, it  
was clothed with the logic of the  
trained theologian, beautified with  
appropriate poetic quotations, and  
delivered with the touching ear-  
nestness which marks Dr. Boland's  
pulpit discourses.

Circuit Court is progressing as  
usual with the following convic-  
tions for the penitentiary thus far:  
Henry Alexander, Peter Spencer,  
Guid Stroud and Will Graham.  
The court is now engaged in the  
trial of Nim Thompson charged  
with the murder of Mont Deskins  
and will continue its sessions  
through next week.—Williamson

Mineral Lands in Johnson Coun-

The Mayo Coal Company, with

pany will develop coal mines near  
Paintsville.

Since the company has been incor-  
porated, Mr. Mayo has closed a re-
